This is for Gold King. Not sure if Rob has had a chance to fill out. Can you send it to me and I'll fill it out.

Thanks!

Trying to get that established this morning. I gave Dan the R8 cross funding info, but Dan will be supporting the Region 9 effort in the response.

Barbara lee will transmit this to you as soon as we have it.

Good Morning All,

I will be the POC for creating and managing Dan's TA. Do we have a cross funding label yet to assign to the TA?

Dan, Please let me know how much your lodging is expected to be and any other misc items you need covered for the TA. Did you leave your POV at PDX?

Any & all information I can get to assist Dan is greatly appreciated.

Thanks,

Tom

Deployment package for the Gold King Response is attached.

Info is dynamic, but best we have right now. If Dan can fly straight to Farmington it's easier than Albuquerque and driving.

Pete,

Thanks for the note. Let me look for a few volunteers, but I am not sure whether they will be ready to deploy tomorrow.

Can you tell me where they are going and for how long?

I will be your POC for deployments.

Thank you,

Hey Chris:

Having a good summer? We've gotten a bit busy here with the Typhoon response, and now the Gold King AMD spill.

We are going to need and OSC or two for travel tomorrow if you can spare them. I'll call you and/or Calvin after this morning's 0930 and 1000 calls.

Sorry for the late notice, but this just ramped up overnight.
